

Dear Seventh Grade Students and Parents:

Welcome to the 2023-24 school year! My name is Mr. Beauchamp. I am pleased to take this opportunity to introduce myself to you and welcome your student to the seventh grade at Tanner Duckrey Elementary School. This will be my 10th year teaching at Duckrey!

English and Social Studies are subject areas that incorporate reading, writing, listening, speaking, and viewing. I am really looking forward to the upcoming school year, building upon the skills students mastered last year, and helping students accomplish new challenges in the Language Arts and Social Studies subject area. I feel that a positive learning experience is built on a collaborative effort among parents, students, and teacher, and I welcome your questions and concerns as the year progresses. We have many expectations for our seventh grade students at Tanner Duckrey Elementary. One of the biggest is being responsible for assignments and actions. Your student is responsible for completing and turning in each assignment. It is essential that you follow up on homework, correspondences, and reinforcing positive behavior.

It is my ultimate goal for each of my seventh grade students to experience success and to foster a love of reading and writing in all content areas. I am thrilled to work with you and your child over the course of the school year. If questions or concerns should arise, please feel free to email or call anytime. I look forward to seeing you on Tuesday, August 24!

Sincerely,

Mr. Philip Beauchamp
Seventh Grade English and Social Studies Teacher
